

11 Rosetta Street Rosewater SA

4  1  1 

In true Rosewater fashion, this c.1910 character villa combines the romance of another era with the kind of livable layout, off-street parking and outdoor entertaining space that keeps it firmly in the now.

Beyond its classically beautiful facade, a wide central hall draws a straight line through this light filled home with polished floorboards, high ceilings, ceiling roses and ornate fireplaces.

Three oversized bedrooms give the original footprint serious scale, while the formal lounge adds a fourth-bedroom option for buyers who need more sleep space, work space, guest space or somewhere to disappear with a book and a firm do-not-disturb policy.
