

50 Brenthorpe Road Seaton SA

3  1  2 

A five-minute drive from the sands of Grange, beach days on speed dial are just the start for this solid brick home on a parcel that hits the sweet spot between roomy and easy.

Built C.1960, they don't make them anymore like this enduring, no-frills 3-bedroom home you can live comfortably in for as long as it takes to plot and implement your grand plans.

Could it make way for something brand new in a surging suburb with fresh builds around every corner? Or do you have an eye for cosmetic, value-adding renovations that start with a fresh facade tender? So many options, no wrong answers.
